

MATTHEW HUDSON

Director, Climate Diplomacy Policy

[Department of Foreign Affairs and Trade, Australia](#)

Matthew Hudson leads the Climate Diplomacy Policy section at the Department of Foreign Affairs and Trade (DFAT) in Australia. Prior to joining DFAT, he was a Director in International Division at the Department of the Prime Minister and Cabinet, leading work on Australia's engagement with Europe and NATO, as well as Australia's support for Ukraine. Mr Hudson previously worked at the European Bank for Reconstruction and Development, a leading climate finance institution, and as an international lawyer in Australia and the United Kingdom.
