

## THE 27TH ANNUAL GRADUATE STUDENT CONFERENCE

AKAI IMEYEN

Manager, Technology Strategy and Transformation

[KPMG](#)

Akai is a manager in KPMG's Advisory practice in Canada, specializing in management consulting services that enhance value and drive success for private and public sector organizations. With a decade of diverse experience, he has worked in geotechnical engineering as well as technology strategy and large-scale digital transformation projects for some of Canada's largest corporations. Akai holds a Bachelor of Applied Sciences in Civil Engineering from the University of Ottawa.
