

## THE 27TH ANNUAL GRADUATE STUDENT CONFERENCE

LIEUTENANT-COLONEL JOANNA MARTIN  
RCAF Command Engineer  
[The Royal Canadian Air Force](#)

Lieutenant-Colonel Joanna Martin enrolled in the Canadian Armed Forces in 2002. She graduated from the Royal Military College of Canada with a Bachelor of Science in Space Science. After completing training as a Construction Engineer, she was a member of 8 Wing Trenton, supporting base infrastructure. In Kabul, Afghanistan, she served as part of the NATO Engineer Headquarters team. She has also held key roles in the Royal Canadian Air Force's operational headquarters, focusing on mission support, plans, and infrastructure. In 2016, she was posted to Vilnius, Lithuania, as the Engineer for the NATO Force Integration Unit – Lithuania. LCol Martin is a graduate of the Joint Command and Staff Programme in Toronto and holds a Master of Defence Studies from the Royal Military College of Canada. Currently, she serves as the RCAF Command Engineer, advising on the delivery of defence infrastructure. In addition to her professional duties, LCol Martin is pursuing a Master of Arts in Counselling Psychology.
