## **ELTON QENDRO**

National Programme Officer

[OSCE](#)

Elton Qendro is the National Programme Officer of the OSCE Presence in Albania. He brings over 20 years of environmental governance experience, community engagement and crisis management in Albania. He holds degrees in International Languages (BA) and International Relations (MA) from Albania and a Doctor Degree in Security Studies/Energy Security from Defence Academy of Albania and postgraduate studies in security society studies from Defence Academy of Sweden.

His research work is focused on energy security, energy governance and geopolitics of energy. Elton has written extensively on the development of hydropower in Albania, water conflicts, hydro diplomacy and environmental politics.
