Dr. BRUNO CHARBONNEAU

Professor of International Relations
[Royal Military College Saint-Jean](#)

Bruno Charbonneau (PhD, Queen's University) is Professor of International Relations at the Royal Military College Saint-Jean, Senior Scientific Advisor at the NATO Climate Change and Security Centre of Excellence, and founding President of the Climate Security Association of Canada. He is Team Leader of the NATO Research Task Group SAS-182 on the consequences of climate change on security and was awarded a 2025 NATO Chief Scientist Grant for the project 'Foresight: planning for low-carbon warfare'. He has published extensively on climate security and defence, and on international conflict management in West Africa.
