EMIL MARC HAVSTRUP

Research Fellow

[Planetary Security Initiative](#) and the [EU & Global Affairs Unit of the Clingendael Institute](#)

Emil is a Research Fellow at the Planetary Security Initiative and the EU & Global Affairs Unit of the Clingendael Institute. His area of expertise revolves around the geopolitical and diplomatic implications of climate change and its effects on security and development. He covers topics related to resilience, defence and strategic dependencies. He holds a MSc in International Security and Law from the University of Southern Denmark, in addition to a MSc in Governance of Sustainability from Leiden University. Prior to joining the Clingendael Institute, he worked at a non-governmental organization in Denmark focused on the green energy transition and critical resource supply chains.
