JAN LUKAČEVIČ

Garantor of Moving to Aerospace - MAE project
[Prague Innovation Institute](#)

Jan Lukačević works at the Prague Innovation Institute, where he leads initiatives to strengthen the aerospace industry and foster collaboration with academia in the capital city. Since 2017, he has served in various capacities at the Czech Academy of Sciences. He was appointed as a NATO2030 Young Leader, joining the external advisory board of Secretary General Jens Stoltenberg and leading a working group on innovation and disruptive technologies. As an experienced science and strategic communicator, Jan contributes to the Ministry of Interior's Crisis Information Team. He is also the co-founder of the Žárovky Endowment Fund, which supports and empowers young experts to engage in public affairs.
