## **JESSICA OLCOTT YLEMO**

CNA Field Representative

[CNA Corporation](#)

Jessica Olcott Yllemo is an expert in climate security, emergency response/disaster preparedness, and security cooperation programs. She has more than 18 years of experience and has designed, executed, and evaluated more than 50 domestic and international missions at the strategic, operational, and tactical levels. She is an expert in Homeland Security Exercise and Evaluation Program (HSEEP) processes and wargaming; chemical, biological, radiological, and nuclear (CBRN) response; and civil-military affairs.

Ms. Yllemo currently serves as the CNA Field Representative/Research Scientist embedded at US SECOND FLEET. She is also an Executive Committee member of the Global Military Advisory Council on Climate Change (GMACCC) and regularly publishes on climate and national security issues. She previously served as the Director, Climate Security Programs at the American Security Project and as a 2016-2017 Fulbright Public Policy Fellow to Kosovo.
