## DAN DORAN

Vice-President of Business Development and Marketing

[ADGA Group](#)

Director, Defence and Climate Security

[Sustainable Markets Initiative \(SMI\)](#)

Dan Doran is the Vice President of Business Development and Marketing for ADGA Group. In this role, he is responsible for all market planning, communications and growth functions at the firm. He also leads ADGA's Research and Development team that focusses on developing the next generation of solutions and capabilities for our trusted partners.

In addition to his work with ADGA Group, Dan is also the Director, Defence and Climate Security for the Sustainable Markets Initiative (SMI). The SMI is King Charles III flagship non-profit and the world's go-to private sector organization for sustainable transition: characterized by its unique brand of 'private sector diplomacy'

Dan Doran has over 25-years of professional experience among a broad range of organizations. He has served as a Regular Force officer with the Royal Canadian Engineers, where he continues to serve as an active Reservist. Dan has worked for McGill University, WSP Canada and KPMG Canada.

Dan Doran brings extensive experience in real property both in the public and private spheres as well as experience in business development, strategy, management consulting and climate risk/security. He has led in the development of business strategies, including WSP's Future Ready Canada approach, which built out the firm's national approach to sustainable design and climate security risk considerations for programs and services.
