Dr. LLOYD CHUBBS

Environmental Management and Energy Management Advisor
[Canadian Joint Operations Command](#)

Dr. Lloyd Chubbs (Canada) is employed at the Canadian Joint Operations Command as an Environmental Management and Energy Management advisor, supporting Canadian Armed Forces deployed and domestic operations. Dr. Chubbs served for 32 years in the Canadian Armed Forces, serving on multiple international deployments. He has also participated in two domestic operations during his military career. He was employed at NATO from 2014-2023, advising on environmental management, energy management and procurement. Dr. Chubbs has served as Chair of the NATO Environmental Protection Working Group and has contributed to several NATO science projects since 2007. Dr. Chubbs has a master's degree in environmental engineering and a PhD from Erasmus University Rotterdam.
