

OTTAWA CONFERENCE
ON SECURITY AND DEFENCE
EST. 1932

MARCH 4-5, 2026

IVAN ZHANG

Co-Founder

[Cohere](#)

Ivan Zhang is a co-founder at Cohere, the security-first enterprise AI company. At Cohere, Ivan oversees key technical product development and is closely involved in the company's public sector and government customers. Prior to co-founding Cohere alongside Aidan Gomez and Nick Frosst, Ivan founded for.ai (now Cohere Labs), Cohere's research lab. Ivan also worked in biotech and MLOps space as a software engineer and studied at the University of Toronto.
