

THE 28TH ANNUAL GRADUATE STUDENT CONFERENCE

Dr. MEGHAN FITZPATRICK

Strategic Analyst

[Defence Research and Development Canada](#)

Adjunct Professor of War Studies

[Royal Military College of Canada](#)

Dr. Meghan Fitzpatrick is a DRDC Strategic Analyst and an Adjunct Professor of War Studies at the Royal Military College of Canada. Her research looks at hybrid threats and how military forces navigate and respond to the complexity of the modern operational environment. Dr. Fitzpatrick's work has appeared in notable publications like Taylor & Francis' *War & Society*, the US Army War College's *Parameters* and SAGE's *War in History*. Since joining DRDC, she has received recognition for her work, including the Centre for Operational Research and Analysis Award for Outstanding Achievement in Defence Analysis and a DRDC Science & Technology Award.
