

## THE 28TH ANNUAL GRADUATE STUDENT CONFERENCE

### JAG GOSAL

Director in the People and Change Practice

[KPMG LLP](#)

Jag Gosal is a Director in the People and Change practice at KPMG LLP, with over 18 years of experience leading complex transformation and human capital initiatives across the public and private sectors. She supports organizations through large-scale programs spanning data modernization, technology implementation, culture change, and workforce transformation.

Jag bridges strategy and execution by helping leaders translate complex change into clear, actionable outcomes. Her expertise includes organizational change, leadership development, employee experience, and organizational effectiveness, grounded in a strong practitioner lens and real-world delivery. She is passionate about mentoring emerging professionals and contributing to the development of future leaders.
