ALEKSIS ORESCHNIKOFF

Research Affiliate

[Harvard Kennedy School's Belfer Center](#)

Aleksis Oreschnikoff is a research affiliate at Harvard's Arctic Initiative at Harvard Kennedy School's Belfer Center and a fellow in the North American and Arctic Defence and Security Network (NAADSN). He is pursuing a doctorate in social sciences (political science) at University of Helsinki with his doctoral project examining how research infrastructures relate to Arctic insecurity. He also follows political and policy developments regarding maritime, outerspace and Antarctic matters. Oreschnikoff's research has been funded by Kone Foundation and Fulbright Finland Foundation. He has previously worked at the United Nations University Center for Policy Research (UNU-CPR), the Finnish Academy for Science and Letters, the Secretariat of the Antarctic Treaty in addition to having consulted Finnish ministries and agencies on policy and strategy. Oreschnikoff holds degrees from University of Helsinki and UiT – the Arctic University of Norway.
