PAUL RUSHTON

Senior Policy Officer

[NATO's Defence Policy and Planning \(DDP\) Division](#)

Paul Rushton is a senior Policy Officer in NATO's Defence Policy and Planning (DPP) Division, responsible for the implementation of NATO's Climate Change and Security Action Plan. He was previously Team Lead for NATO's Chemical, Biological, Radiological and Nuclear (CBRN) Defence Policy. He has served as First Secretary at the Joint Delegation of Canada to NATO, and as programme lead for environmental security, conflict resolution and crisis management with Global Affairs Canada. Previously, he worked with the UN and diverse NGOs on food security, livelihoods and climate change in conflict-affected contexts including Darfur, the Democratic Republic of Congo, Myanmar and Nepal. He holds an MSc in Sustainable Development from the University of London, an MA in International Peace and Conflict Studies from the UN University for Peace in Costa Rica, and a BA in Political Science and Economics from Simon Fraser University in Canada.
