PJ AKEEAGOK

Founder and President

[Arctic Strategies Inc.](#)

PJ Akeeagok is Founder and President of Arctic Strategies Inc., a 100 per cent Inuit-owned advisory firm supporting Indigenous-led infrastructure, conservation, and economic development projects across the Arctic. As a recent Premier of Nunavut, he concluded the Nunavut Devolution Agreement—the largest land transfer in Canadian history—and secured the \$1.5-billion Nunavut Agreement Implementation Contract, moving decision-making over lands and resources from Ottawa to Nunavummiut. In another previous elected role as President of the Qikiqtani Inuit Association, he negotiated creation of the Tallurutiup Imanga National Marine Conservation Area, one of the world's largest marine protected areas, and a global model for Inuit-led governance and marine stewardship. He currently serves on the Prime Minister's Advisory Committee on Canada-U.S. Economic Relations, advising on Arctic infrastructure and economic security related to the North.
