

ROSS FRANKLIN

Engineering Manager-Sustainability
Material Group Environmental Program Office

Ross Franklin is Engineering Manager–Sustainability in the Materiel Group Environmental Program Office within the Canadian Department of National Defence. He retired from the Canadian Armed Forces in 2021 after serving over 13 years as an Engineer Officer. At Environment and Climate Change Canada, he worked on Canada’s first National Adaptation Strategy and the 2022-26 Federal Sustainable Development Strategy. He joined National Defence as a public servant in May 2023.
