

TRAVIS BRUBAKER

Senior Policy Advisor, US Foreign Policy/Security

[E3G](#)

Travis connects geopolitical trends and foreign policy with climate & energy needs; including at international fora such as UNGA and the Munich Security Conference. He currently does so as Senior Policy Advisor for U.S. Foreign Policy at E3G, where he leads E3G's US foreign policy work and security workstreams. Travis' professional experience spans Europe, the U.S. and China, with previous roles at ClearView Energy Partners, Allianz, the Fraunhofer Institute and the UNECE.
